## Demographic:

### US Current Population

[By Sex](#)

[Race](#)

[% by Race](#)

[% by Race \(white excluded\)](#)

[% Hispanic](#)

[Generations](#)

[% with Degrees](#)

[Number with Degrees](#)

### US Projected Population

[% by Race](#)

[% by Race \(white excluded\)](#)

[% Hispanic](#)

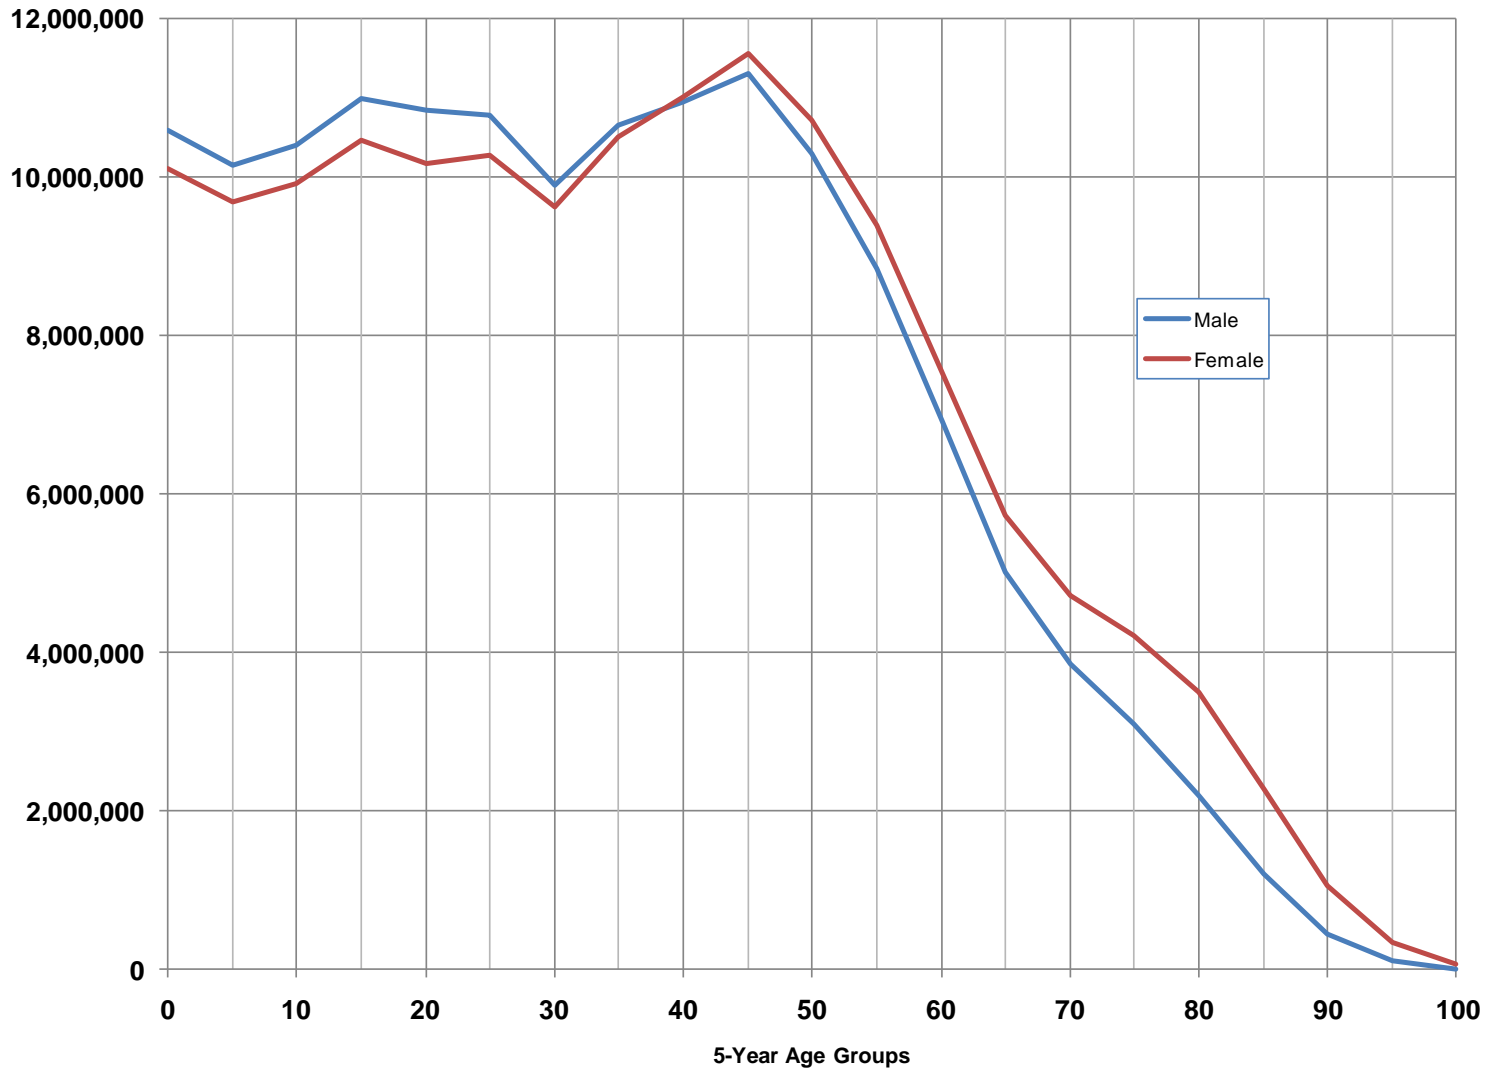

### Minnesota Current Population

[Race](#)

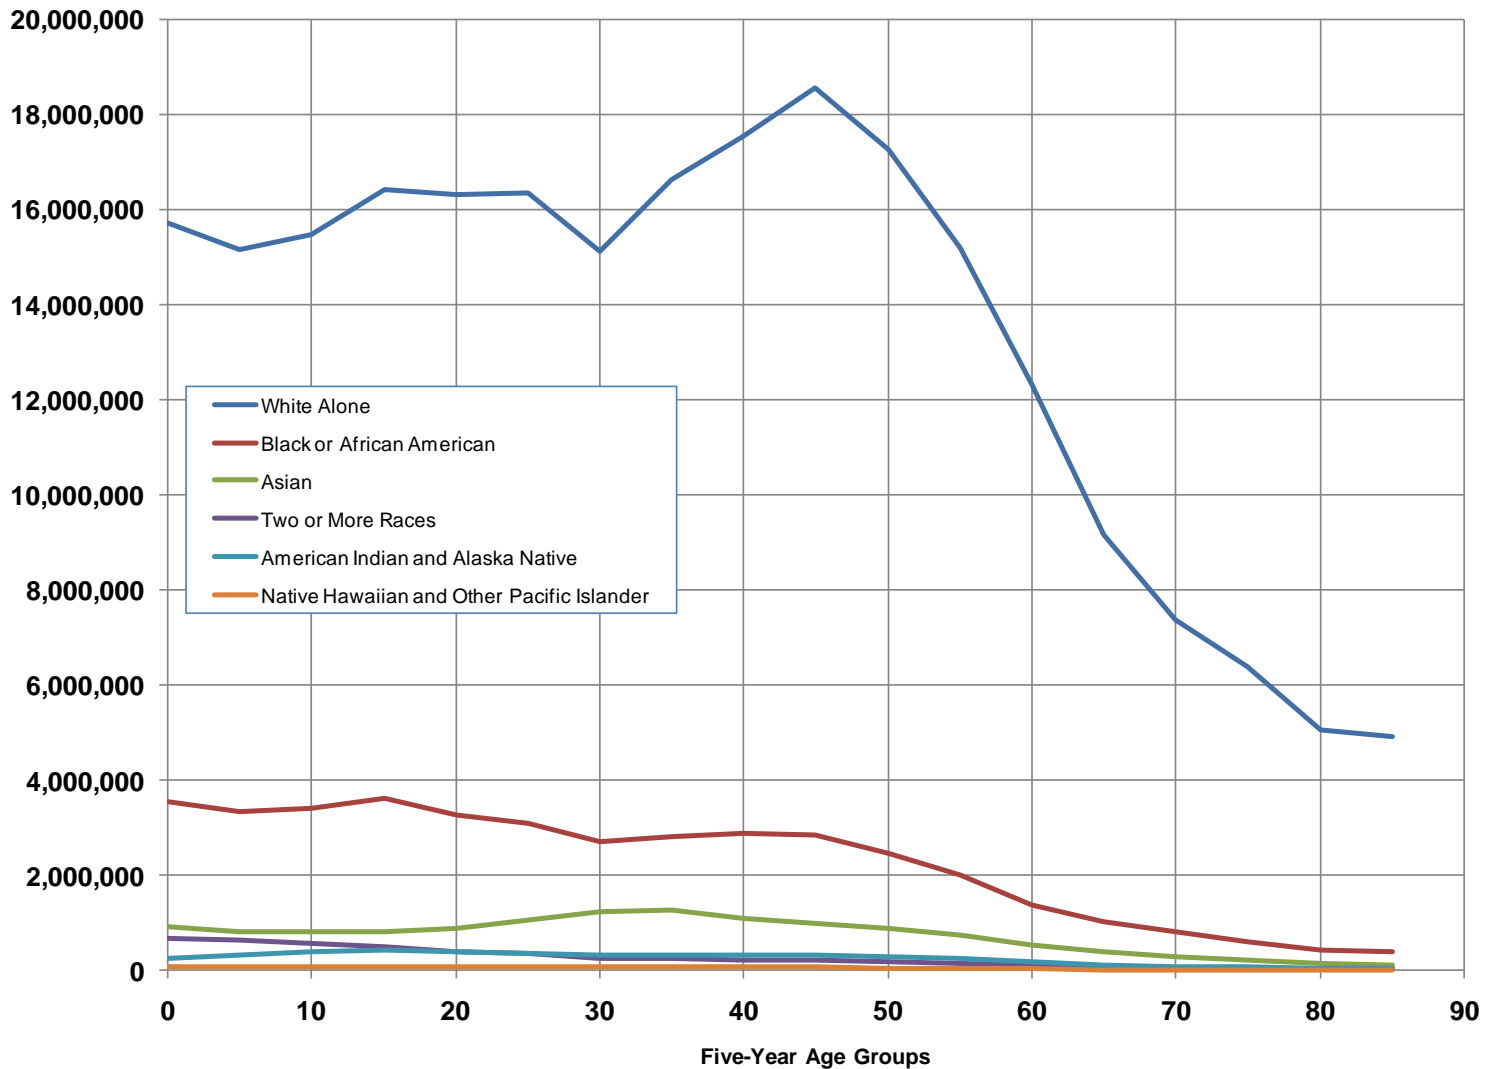

[Hispanic](#)

Note: Some of the demographic charts show data in 5-year age groups  
Data with an x-value = 0 is the sum of the populations for ages 0 through 4  
The largest x-value represents the sum of the populations equal to or greater than that x-value

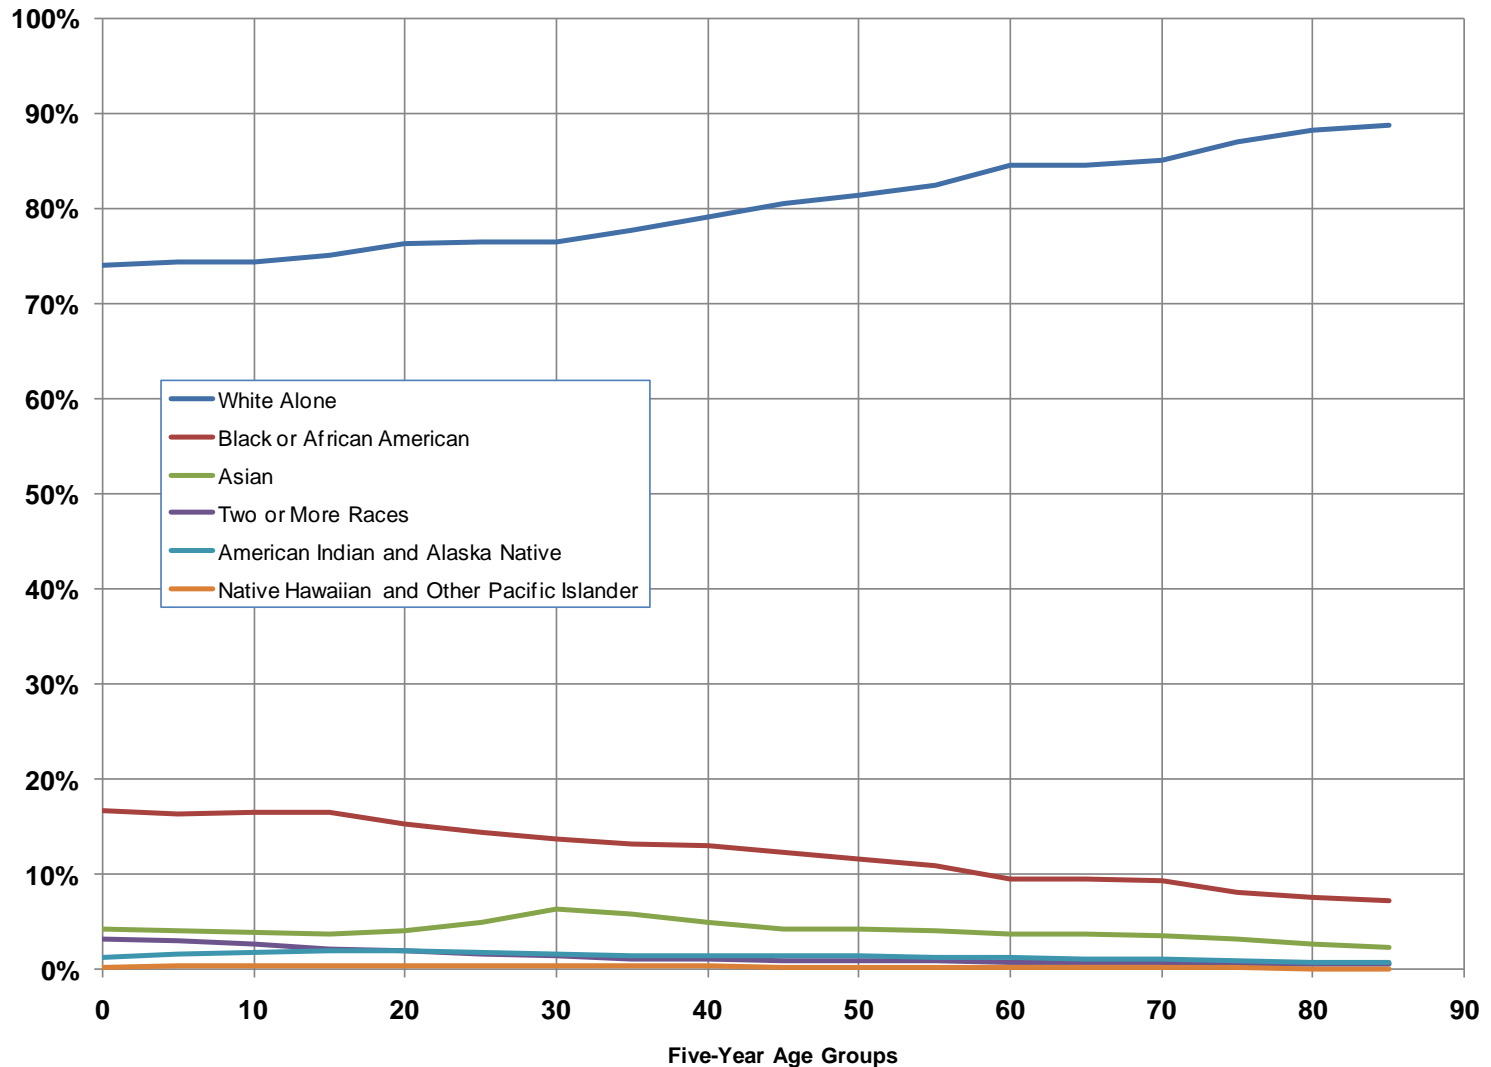

# US Population by Sex

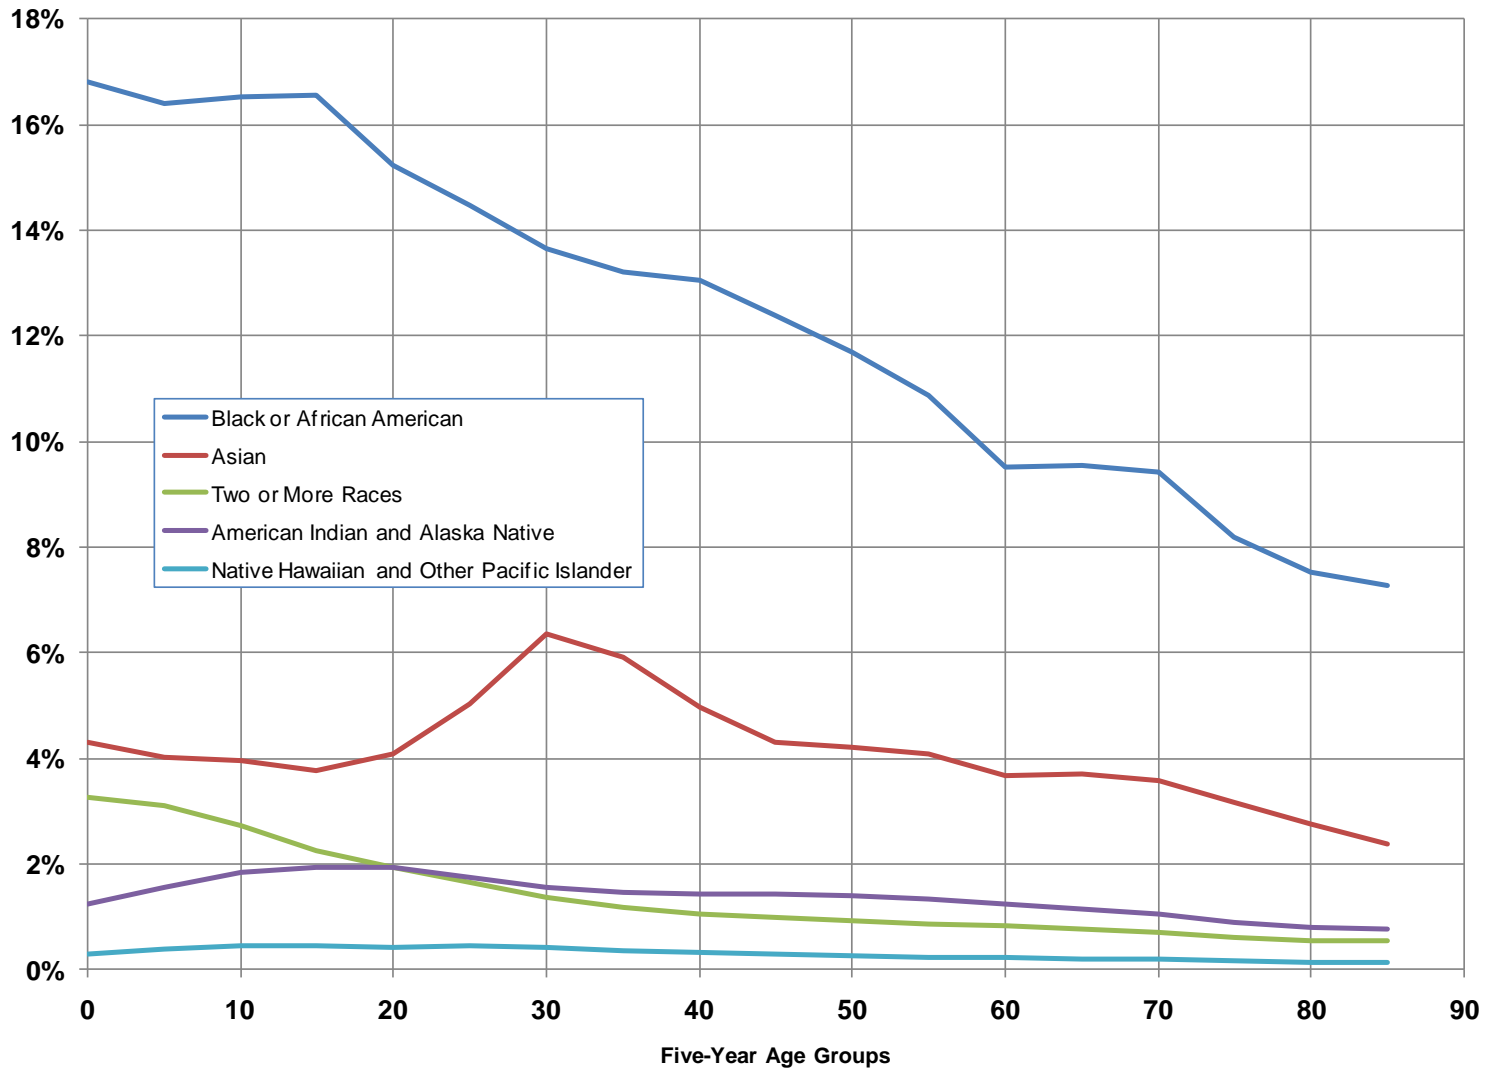

# US Population by Race

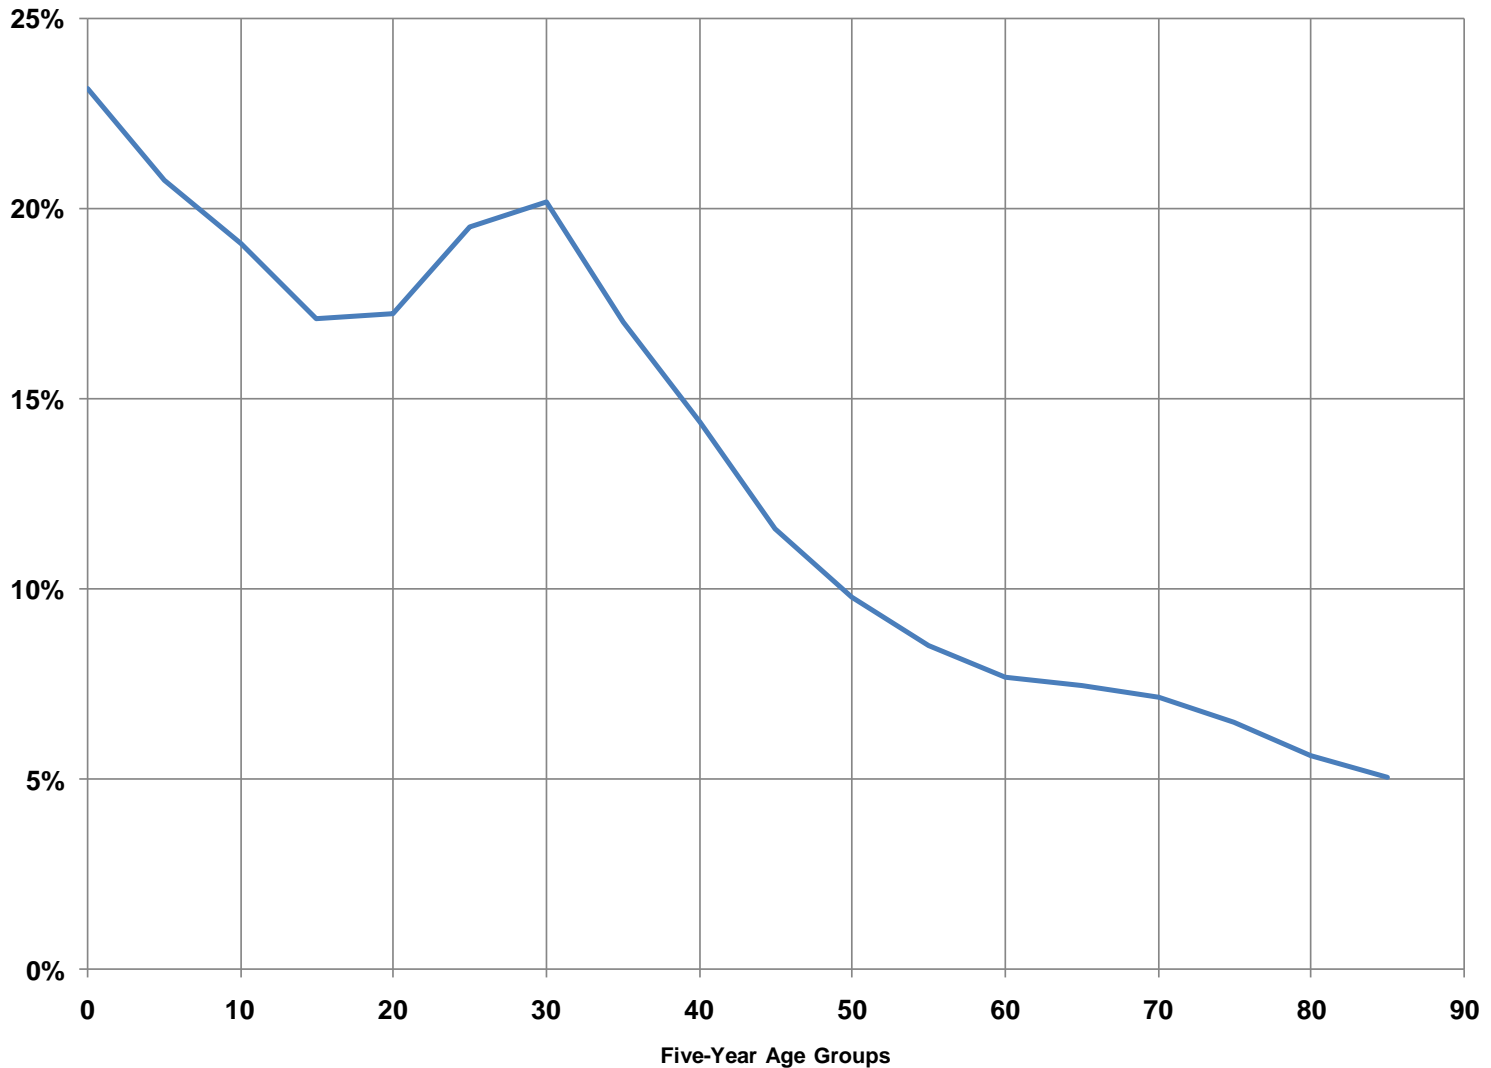

# US Population % by Race

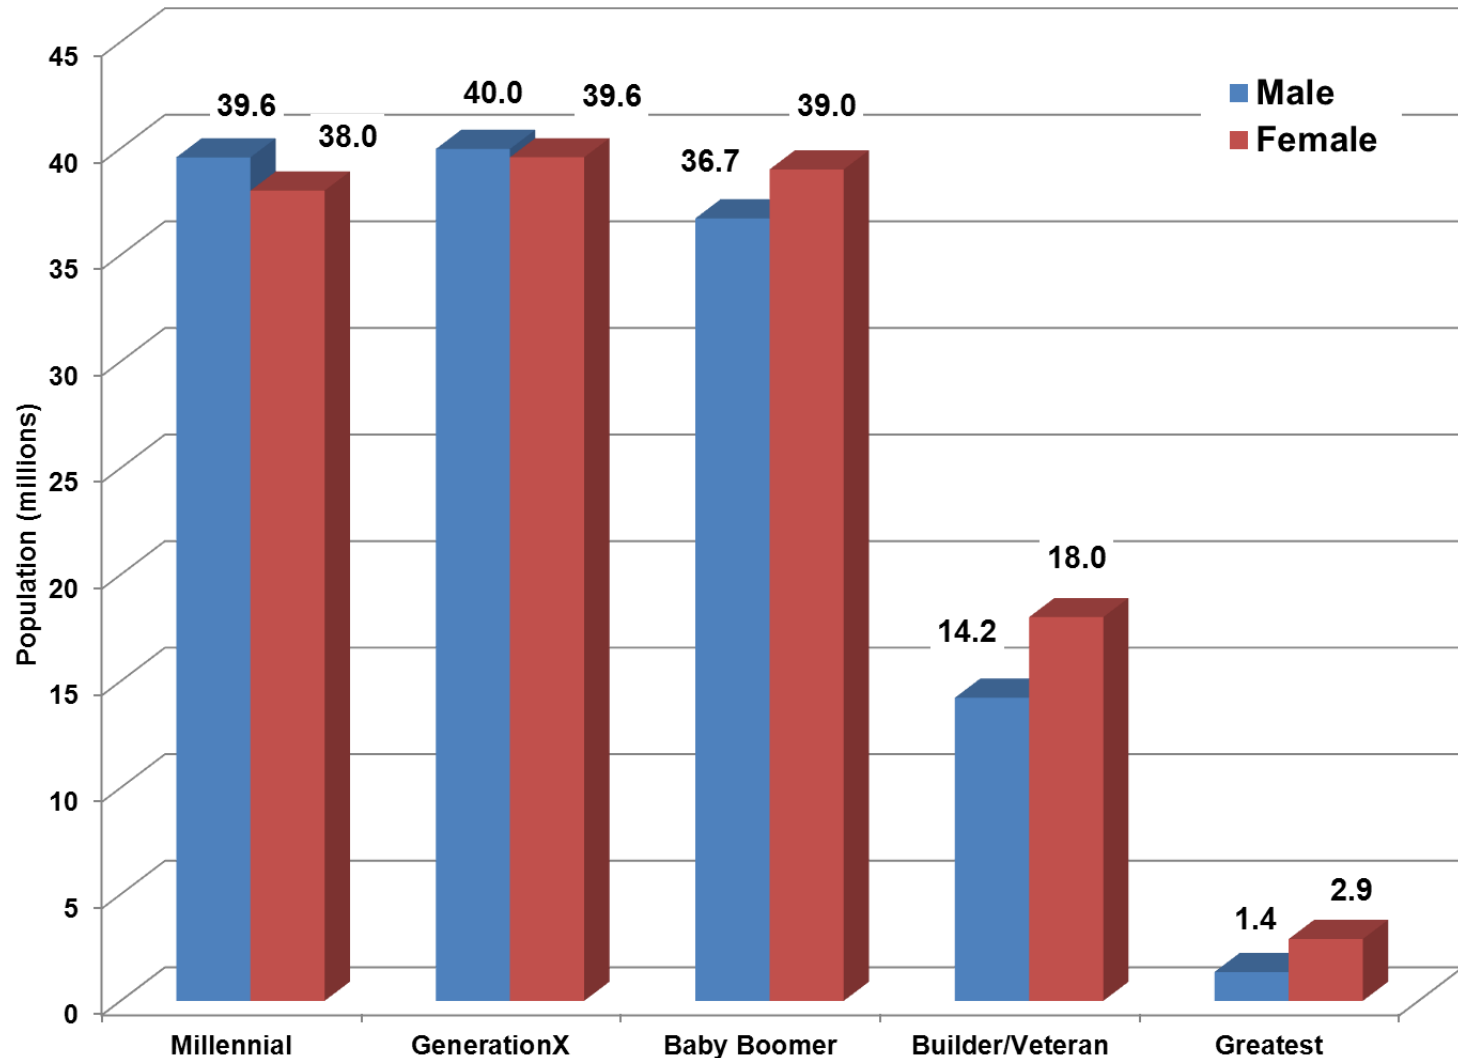

# US Population % by Race (white excluded)

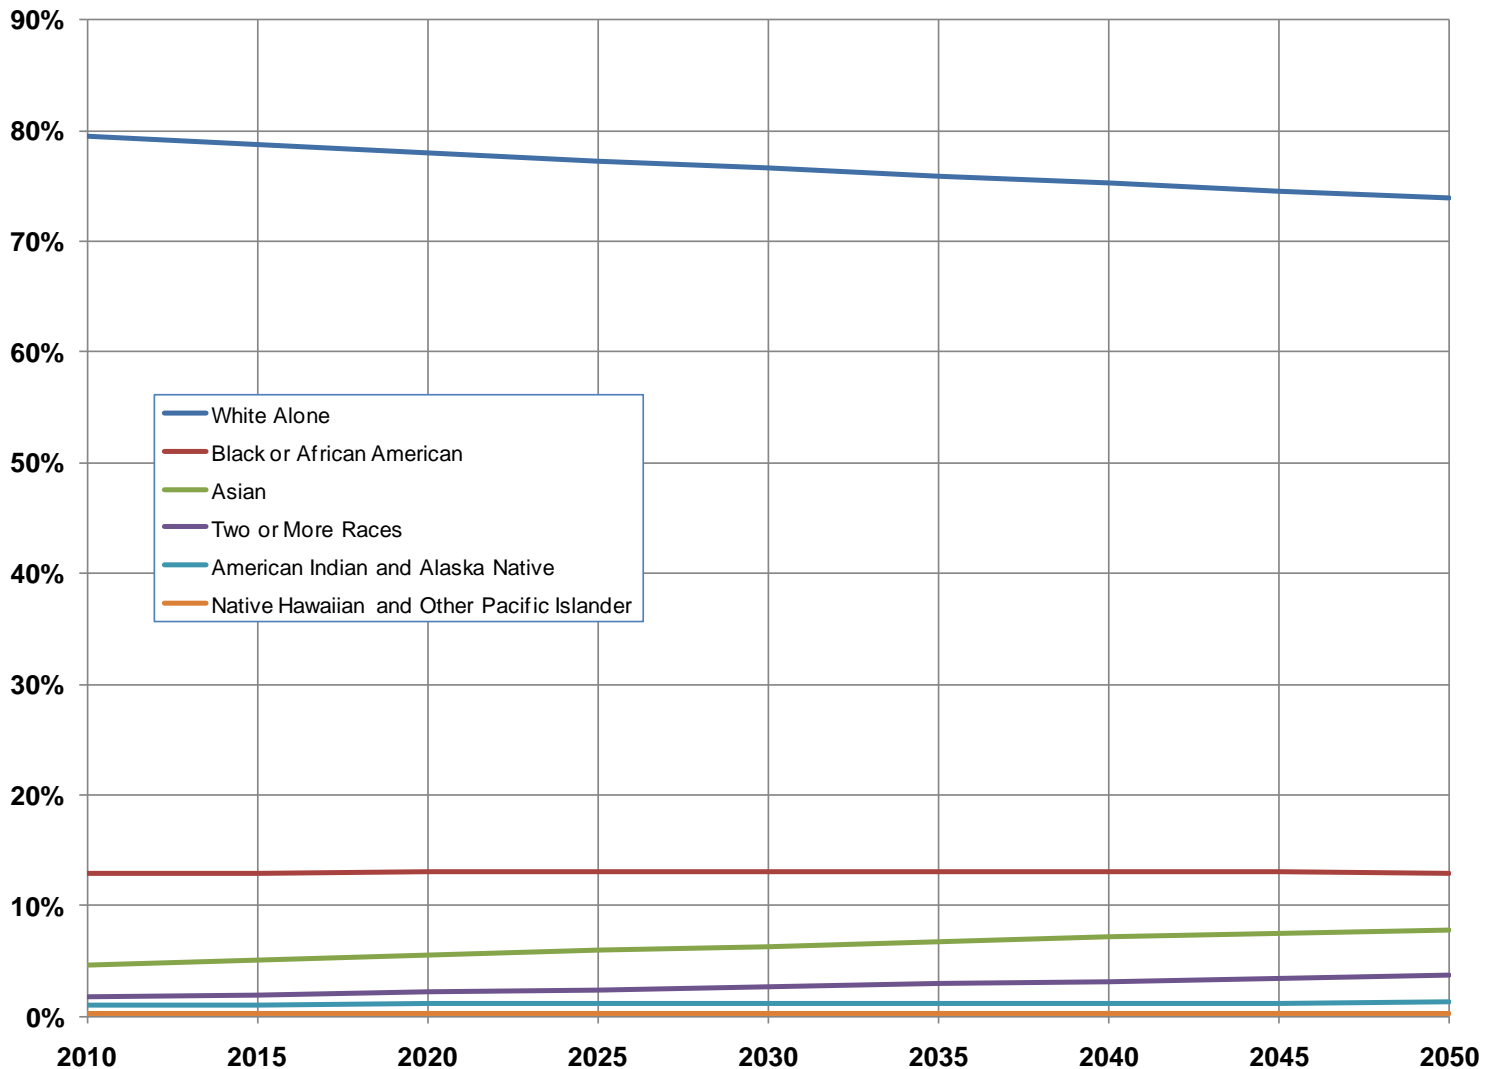

# US Hispanic % of Total Population

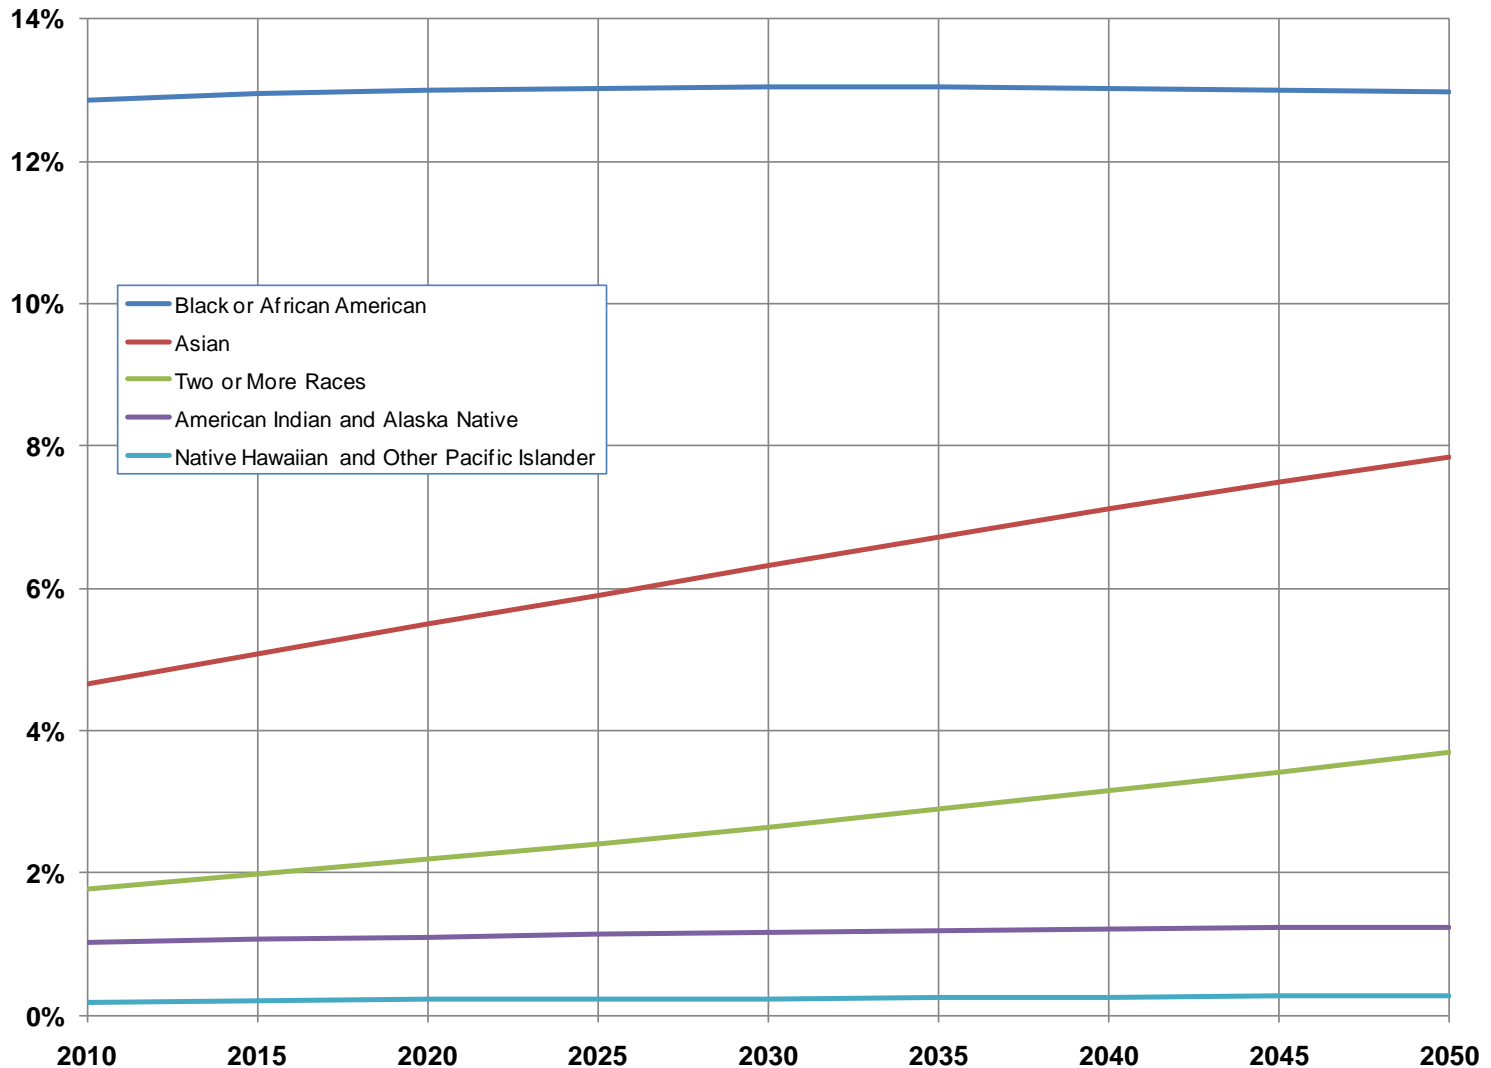

# Generations – 2012 Population Estimate

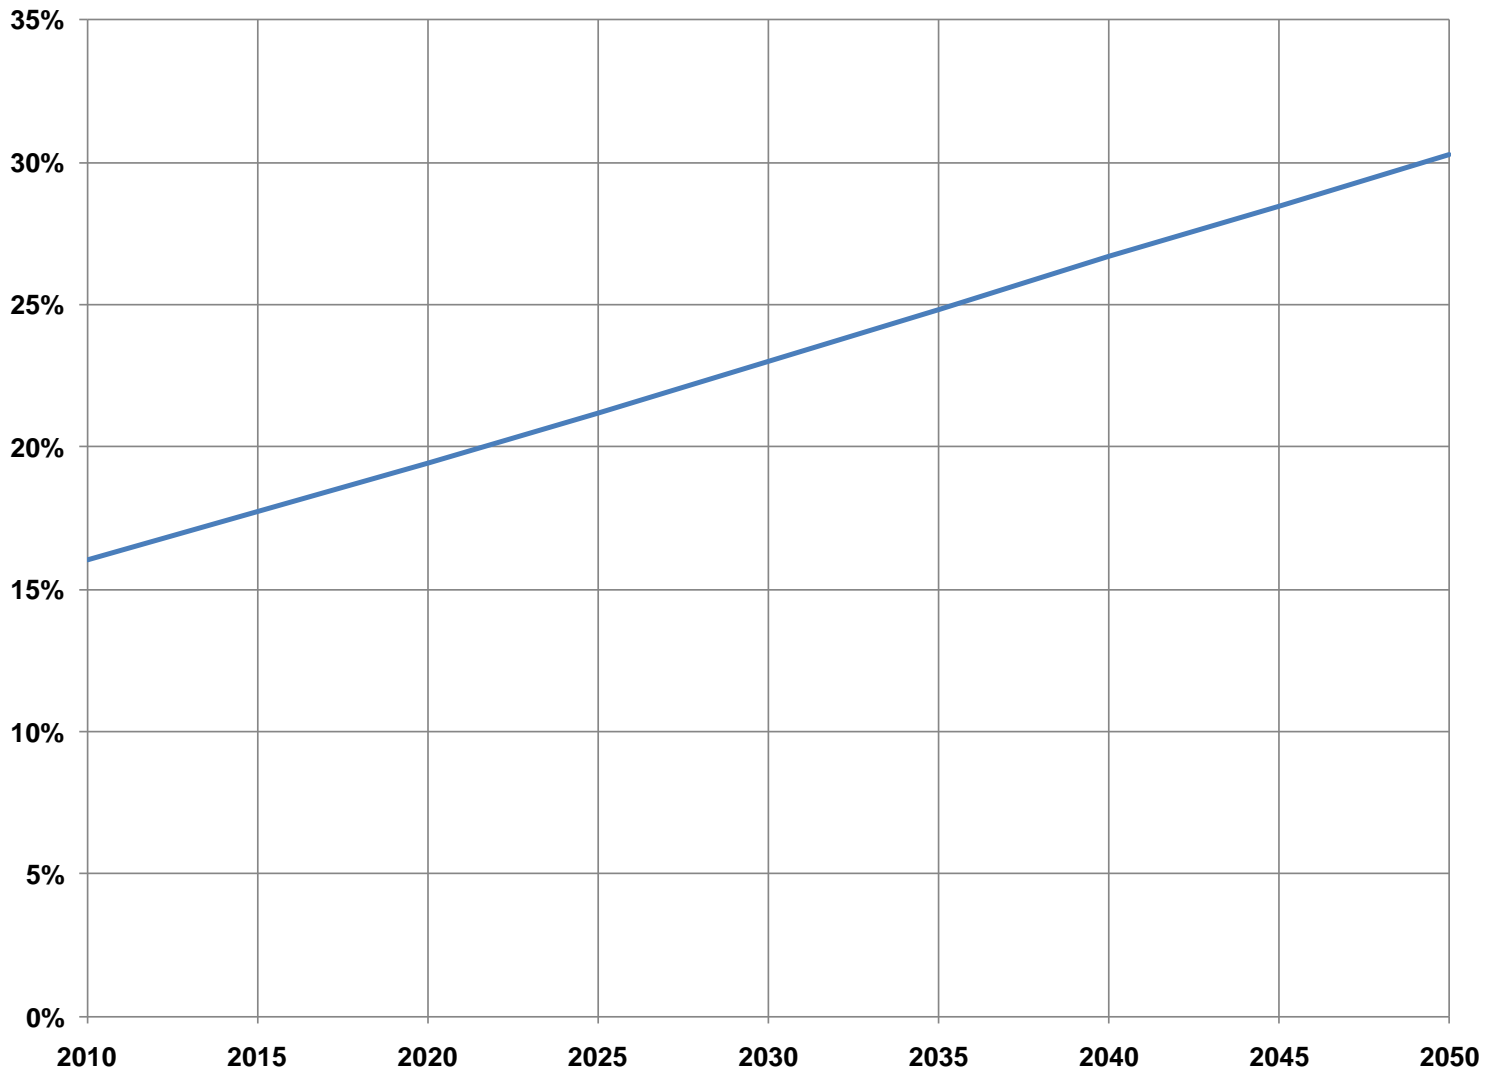

# Population Projection by Race

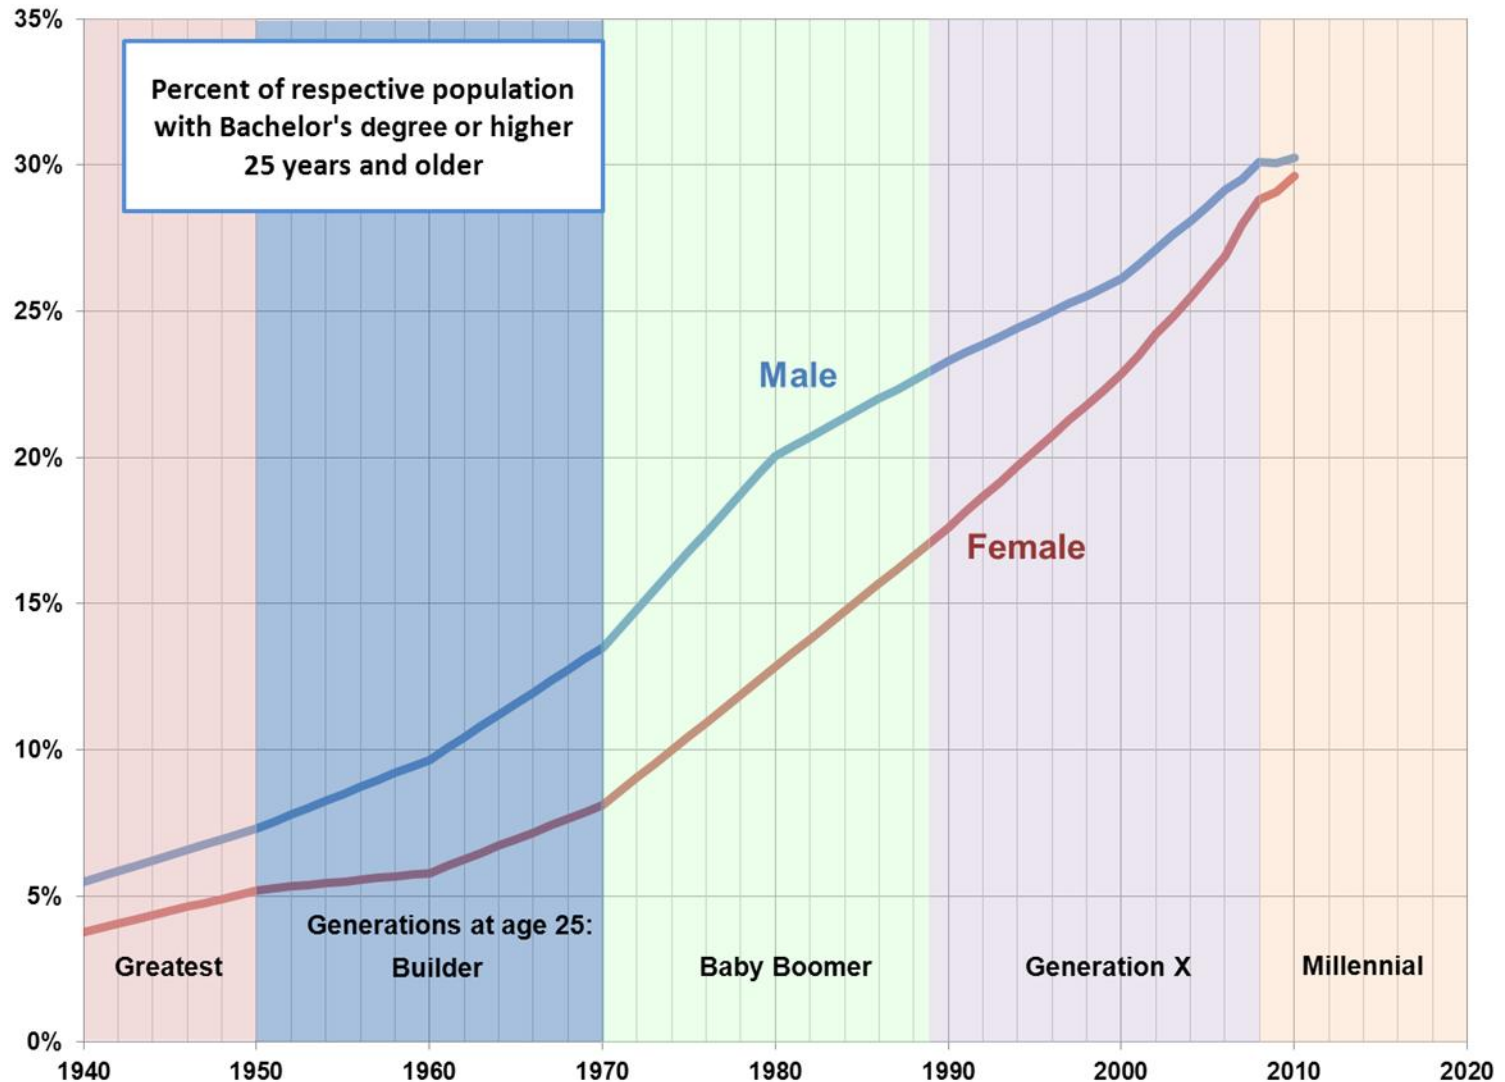

# Population Projection by Race (white excluded)

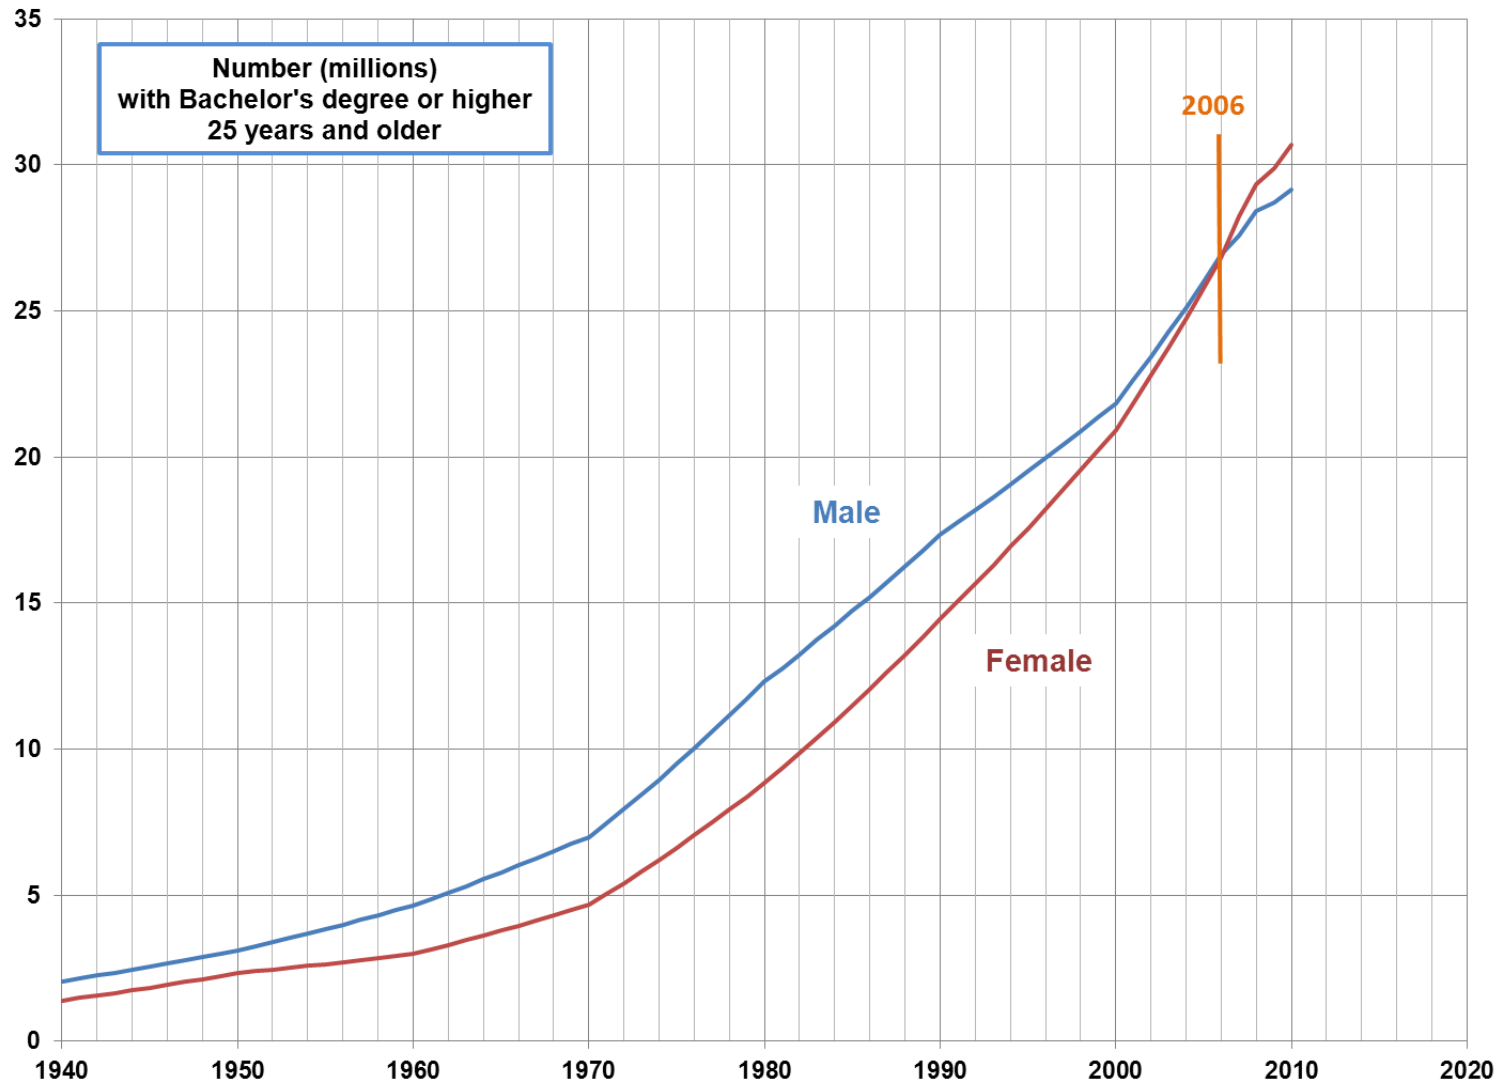

# Population Projection – Hispanic

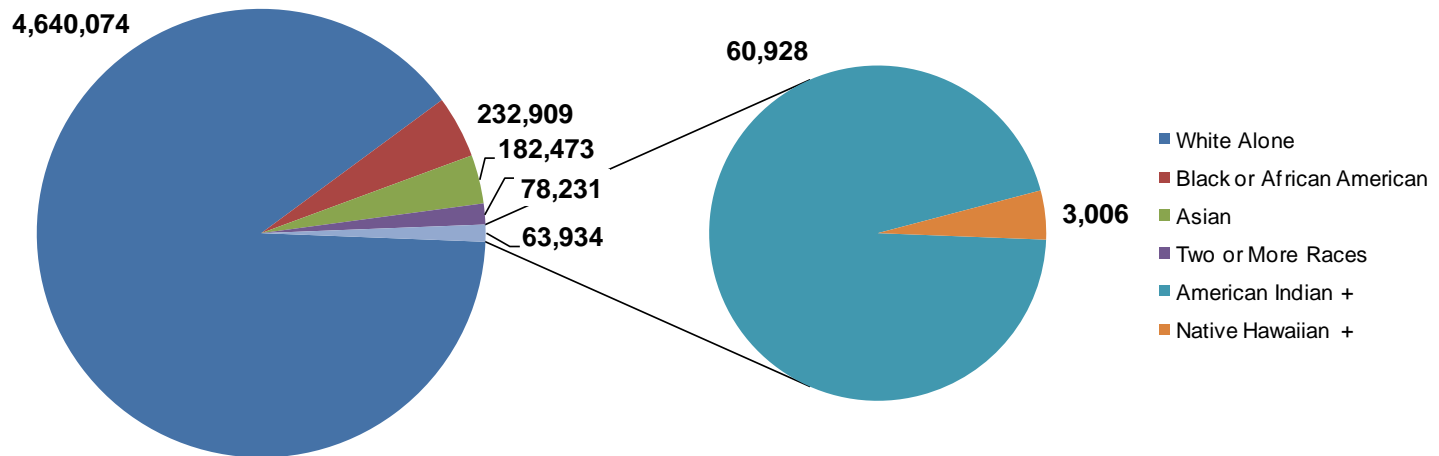

# Educational Attainment (%)

# Educational Attainment (number)

# Minnesota Population by Race

# Minnesota Population – Hispanic
